letters addressed to patients and in the sickbook. (4) A photograph of Captain Kremishev (fnu), the dentist at the hospital, was obtained. (5)

5. All motor vehicles, except for the trucks of the driving school, were parked in a large garage on the western edge of the field installations. The driving school had 160 soldiers. (6) Other courses had been held previously in the temporary buildings of the driving school. Two sentries were permanently posted near a 4-meter watchtower on the northern edge of the landing field.

Comments.

(1) The airfield is not occupied by an air unit. The headquarters of the 71st Ftr Corps and the pertaining units are believed to be stationed at the field. The jet aircraft, Mig-15s, possibly belong to the fighter corps headquarters. Take-offs and landings by individual jet aircraft have been previously observed. For layout of airfield, see Annex.1.

25X1

(2) Motor vehicles belong to ground units of the fighter regiments stationed in Finow and the motor vehicle belong to ground units in Laerz.
